2.	Notes of General Meeting of 16th July 2014	
	The notes were agreed as a true record.	
2.1	Matters Arising	
2.1.1	Southwark Park - Cancer Research Shine Night Walk	<b>Pat</b>
	An update was given by Gary Glover. The questions we had raised about the	<b>Kingwell</b>
	event had been taken up by Cllr. Whittam on our behalf and subsequently	
	repeated in an email to the Events Team. Our concerns have been addressed and	
	it seems income from the event will fund two outdoor table tennis tables. It was	
	agreed to write to the Chief Executive's department to recommend	
	improvements in consultation over events in the park.	
2.1.2	Southwark Park - Outdoor Gyms	
	Simon Hughes M.P., asked that consideration be given to having a second	
	outdoor gym as the current one is very popular. Agreed to look into it.	
2.1.3	Southwark Park Cricket Club	<mark>Martin</mark>
İ	The club has been re-established and a successful match had been played against	Kovats
	Burgess Park C.C. for 'The Guv'nor's Cup' as part of our '150' celebrations.	
	The Rotherhithe Festival Committee had kindly funded the trophy, medals and	
	refreshments. It was agreed to ask Martin Kovats to update on progress.	
2.1.4	Southwark Park – Dangerous Cycling	Andy
	Yet again concerns were raised about dangerous cycling and a number of	<b>Chatterton</b>
	incidents described. There are particular problems about speed along the longer	John Reid
	paths. It was agreed to ask Parks to come up with some creative options to	
	improve things for discussion at our next meeting.	
3.	Park Manager's Report	
	Andy Chatterton reported:	
3.1	Southwark Park - Playground Slide	
	An order has been issued to Fenland Leisure Products to undertake the work.	
3.2	Southwark Park - Cycle Racks	
	The cycle racks (3 groups of 4) have been purchased from Bollards International	
	Limited and they will be installed by Asset Management opposite the tennis	
	courts, inside the children's playground and at the side of Dilston Grove.	
3.3	Southwark Park - Carriageway Drive	
	Remedial works are being undertaken by FM Conway to the footways and part	
	of the carriageway. A surface dressing will be applied after six weeks, to allow	
	the resin to stick to the tarmac. Capital funding has been obtained for the	
	majority of this work.	

3.4	Southwark Park Boundary and Private Gates	
	Some mature Pyracantha will be planted across the open area at Maydew House	
	week commencing 22nd September and some letters will be sent in the near	
	future to residents who currently have unauthorized access into the park.	
3.5	Southwark Park – Dolphins Sculpture	
	The Senior Arts Officer is still trying to find an engineering solution as the liner	
	has caused massive issues, discussions are currently taking place with FM	
	Conway to resolve this.	
3.6	Southwark Park - The Blue Cross Mobile Clinic	
	A weekly service will commence from Monday 22 <sup>nd</sup> September and the vehicle	
	will be parked in the area between the traffic barrier and Gomm Road Gates.	
3.7	Southwark Park - Car Parking Review	
	The programme was approved on 15 <sup>th</sup> September and the project is expected to	
	start in January 15 <sup>th</sup> 2014, with public consultation in March/April 2014. Subject	
	to consultation, controls could be introduced in July 2014.	
3.8	Southwark Park – Former Swedish Church Boundary Wall	
	The new wall should be completed by the end of September and FM Conway	
	will then undertake ground reinstatement work. Capital funding has been	
	obtained for this work. It was reported that the developer had attempted to insert	
	private access gates into the wall but Parks had ensured this did not happen.	
	Thanks were given to Parks team.	
3.9	Southwark Park – '150' Gates	<b>Andy</b>
	The new double gates either side of the carriageway near the main entrance will	<b>Chatterton</b>
	be built by Asset Management and an expected completion date will be provided	
	at the next meeting. This work has been funded by the Southwark Park budget.	
3.10	Southwark Park - Jamaica Road Railings	
	Railings damaged in two incidents have now been repaired / replaced.	
3.11	Southwark Park - BALI Award (British Association of Landscape
